OFFICE OF THE MUNICIPAL MANAGER

Dear Residents

UPDATE ON THE FLOOD DISASTER

Following the heavy rains we have experienced and the damages to the infrastructure, our assessment team has completed the preliminary investigation. The report has clearly indicated the damages to the infrastructure and has been submitted to the relevant authorities. Secondly, we have observed that the water quality is not good for human consumption and as such the water tankers are assisting in the interim. We are busy working on the solution to bring the quality to an acceptable standard working with all relevant stakeholders.

IT MUST BE NOTED THAT THIS MATTER MIGHT TAKE US A LONG TIME TO RESOLVE AND WE WILL UPDATE YOU ON THE PROGRESS THEREOF.

Regards,

MR. R. J. RAMOTHWALA
MUNICIPAL MANAGER
