

Mayor's Back-to-school programme

The Mayor Cllr. T.C Musolwa hosted a back to school programme. In attendance was the Speaker of Council, Cllr. B Raganya, the Whip of Council, Cllr. H.M Thobejane, Exco members, Councillors, the Municipal Manager and officials, the Circuit managers (Makhutswe & Lepelle), representing schools and 2 learners selected from each school in Maruleng Municipality.

The function was mainly to provide the kids school bags and school shoes but above all was to encourage learners to preserve under any circumstances.

The Mayor shared with the pupils his childhood experience, citing the challenges of not having necessities like shoes and many other things that would affect his confidence and as a result affected his participation in class. He further indicated that many of his colleagues went through the same. He encouraged pupils to never be held back by their circumstances but always strive to become the best.

The Mayor appreciated the teachers for the good work they are doing and invited them to work together with the municipality to achieve best result.

The Circuit Manager also appreciated the good work done by the municipality under the leadership of the Mayor and committed to a relationship with the municipality to strive for best academic result.
