

Maruleng Municipality Mayor, Cllr T.C Musolwa today met with Local Traditional Authorities, Sekororo CEO K.B Ramodise and Mr T.C Letsoalo from Sekororo communications to discuss the impulse that the hospital encounter when it comes to burial of foreign nationals. The meeting was called by Sekororo Hospital. The CEO indicated that once a foreign national dies it becomes the hospital's responsibility to bury the corpse. He further indicated that the hospital pleads with the Local authority to give them land for a purpose of paupers funeral. The root of the whole impulse is caused by illegal immigrants owing to the difficulty in tracing their families to bury them. The Mayor indicated that the meeting should be adjourned and invite all stakeholders like, Department of Home Affairs, Department of Police, Department of Social Development, Department of Labour and all the Farmers around Maruleng Local Municipality. The entourage took an opportunity to plant a tree after the meeting.
