of the final assessment

5.5.3 Each area of assessment will be weighted and will contribute a specific part to the total score

5.6 The Employee's assessment will be based on his or her performance in terms of the key performance indicator output/outcomes identified as per attached Performance Plan (Annexure A), which are linked to the KPA's, and will constitute 80% of the overall assessment result as per the weightings agreed upon to between the Employer and the Employee:

Key Performance Areas (KPA's)	Weighting
Municipal Institutional Development and Transformation	40%
Basic Service Delivery	5%
Local Economic Development (LED)	5%
Municipal Financial Viability Management	5%
Good Governance and Public Participation	40%
Spatial Rationale	5%
Total	100%

5.7 The Manager's responsibilities are also directed in terms of the abovementioned key performance areas. In the case of managers directly accountable to the Municipal Manager, other key performance areas related to the functional area of the relevant manager can be added subject to negotiation between the municipal manager and the relevant manager.

5.8 The CCR's will make up the other 20% of the Employee's assessment score. CCR's that are deemed to be most critical for the Employee's specific job should be selected (✓) from the list below as agreed to between the Employer and Employee. Three of the CCRs are compulsory for the Municipal Manager:

the Employee's performance

6.1.2 The intervals for the evaluation of the Employee's performance

6.2. Despite the establishment of agreed intervals for evaluation, the Employer may in addition review the Employee's performance at any stage while the contract of employment remains in force

6.3. Personal growth and development needs identified during any performance discussion must be documented in a Personal Development Plan as well as the actions agreed to and implementation must take place within set of timeframes

6.4. The Employee's performance will be measured in of the contributions to the strategic objectives and strategies set out in the Employer's IDP

6.5. The Annual Performance appraisal will involve:

6.5.1 Assessment of achievement of results as outlined in the Performance Plan

(a) Each KPA should be assessed according to the extent to which the specified standards or performance indicators have been met and with due regard to ad hoc tasks that had to be performed under the KPA

(b) Values are supplied for the KPI's and activities under each KPA as part of the Institutional Assessment. Based on the Target for an activity or KPI, over or under performance are calculated and converted to the 1-5 point scale. These scores are carried over to the applicable employee's performance plan. During assessment, the employee has a chance to submit evidence of performance where a disagreement occur

(c) The applicable assessment ratings and scores will calculate a final KPA score

6.5.2 Assessment of the CCRs

- (a) Each CCR should be assessed according to the extent to which the specified standards have been met.
- (b) An indicative rating on the five-point scale should be provided for each CCR
- (c) This rating should be multiply by a weighting given to each CCR during the contracting process, to provide a score
- (d) This applicable assessment rating calculator (refer to paragraph 6.5.1) must then be used to add the scores and calculate a final CCR rating

6.5.3 Overall rating

An overall rating is calculated by using the applicable assessment-rating calculator. Such overall rating represents the outcomes of the various weighted ratings contained in the Performance Plan which represents the outcome of the performance appraisal

6.6. The assessment of the performance of the Employee will be based on the following rating scale for KPA's and CCRs:

Rating	Terminology	Description	% Score
5	Outstanding performance	Performance far exceeds the standard expected of an employee at this level	167
4	Performance significantly above expectations	Performance is significantly higher than the standard expected in the job	133- 166
3	Fully	Performance
