TERMS OF REFERENCE: THE APPOINTMENT OF A TRAINING PROVIDER ON GENERALLY RECOGNIZED ACCOUNTING PRACTICE (GRAP) STANDARDS

1. INTRODUCTION

Maruleng Local Municipality has identified the need for capacity building in the correct interpretation and application of Generally Recognized Accounting Practice (GRAP) standards following material misstatements noted by the Auditor-General of South Africa (AGSA) during the audit of the 2024/25 financial year.

Some of these misstatements were due to the misinterpretation and incorrect application of GRAP standards, which affected the accuracy and completeness of the municipality's financial reporting. To address this, the municipality seeks to appoint a suitably qualified and experienced training provider to conduct GRAP training for municipal officials involved in financial reporting and auditing processes.

The training should also focus on how to review financial statements for completeness and compliance with GRAP standards, ensuring that all necessary disclosures are correctly applied in the municipality's Annual Financial Statements (AFS).

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse.
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
