

Maruleng municipality held a 3 day strategic planning session, chaired by the Speaker of council, Cllr. B Raganya and facilitated by DTM Consulting represented by the CEO Dr. T. Maake.

The Mayor , Cllr. T.C Musolwa gave a key note address setting the direction on the desired achievement by council for the coming 5yrs.

In his address he emphasised on working towards a clean audit, municipal growth in a sense of revenue enhancement, settlement development and population growth.

He reiterated on no tolerance to corruption and non attendance at work, while encouraging skill development for officials so that they can deliver the services expected by our community.

The session was attended by the AGSA representative, Mr Geswin, Audit Chairperson Mr. T. Modipane and Senior officials

Our traditional leaders, kgoshi Sekororo, Kgoshi Mametja and Kgoshi Letsoalo also formed part of the session.

Kgoshi Sekororo, on behalf of magoshi, expressed his appreciation for Maruleng municipality for the level of engagement with the royal houses on service delivery and encouraged early consultation on land development matters. The Chief pledged to provide land to the municipality for development.

Last but not least, officials of Maruleng Municipality led by the Municipal Manager Ms NS Hooeane gave a presentation on service delivery from the robust 2 day management technical and strategic planning session. The session was to review performance of the previous 5 year IDP, diagnosing the SWOT and developing proposed strategies from a technical and expert point of view.
